

NIGHTLINE, INC.

NIGHT VISION SPECIALISTS

Message from Nightline, Inc.

Our Goal is Customer Satisfaction through higher levels of stockage.

Reducing Delivery Time is our Primary Focus.

Through the GSA System, Nightline offers this selection of products, under contract #

GS-07F-0161-M

Please e-mail us for a GSA Price List.

Our inventory of spare parts is continuously being increased to allow for faster delivery.

Nightline continuous to grow its Repair Facility for faster response time to diagnostic requests, upgrades and repairs.

NIGHTLINE, INC. Manufacturing Facility in Mountain City, TN

For this catalog, we have selected some of our best products including ground and aviation goggles, weapons sights, several monoculars, binoculars and accessories.

We also introduce the new IntelliVuPLUS™ Day-Night Sensor which along with a CCD camera allows for 24 hour surveillance.

Each model is accompanied by a chart offering a choice of image intensifier tubes ranging from our Alpha series, rated up to 1250 Figure Of Merit (FOM), and our Gamma and Delta series with up to a 1600 FOM.

The remaining tube selection of Omega and Infinity tubes are our highest performing, state-of-the-art tubes. They are currently limited to U.S. sales only and cannot be exported.

As Nightline continues to grow, we thank all of our suppliers and customers, for their support.

Nightline "is" Night Vision.

Thank You,

From: THE NIGHTLINE TEAM
